PROFESSIONAL SUMMARY

Social media content creator who grew an Instagram education page (@dev_aur_code) to nearly 4,000 followers in under one month through consistent daily posting, a clear content format and strong hooks. Skilled in short-form video, content planning, storytelling and audience engagement across Instagram and YouTube. Computer Science graduate with a strong ability to simplify complex topics for a wide audience.

KEY RESULTS

- Grew @dev_aur_code on Instagram to 3,900+ followers with 66 posts in under one month, organically.
- Built a repeatable 60-90 second explainer format (handwritten notes + voiceover) across topics such as OSI Model, CORS, ACID, Payment Gateway, Authentication and React Lifecycle.
- Run a YouTube channel (@sanket11527) with 55 videos and 156 subscribers, documenting bootcamp, hackathon and startup-pitch experiences.

EXPERIENCE

Founder & Content Creator – @dev_aur_code (Instagram)

2026 – Present

- Plan, script, shoot, edit and publish daily short-form video content (Reels) for a coding and computer science audience.
- Developed a consistent brand identity: profile design, bio, handle, content series and recognisable video style.
- Wrote hooks, titles and on-screen captions designed to improve watch time and retention.
- Reviewed Instagram Insights to understand which topics performed best and planned future content around them.
- Engaged with followers through comments and messages to build an active community.

Content Creator – Sanket Jadhav (YouTube)

2026 – Present

- Produce and publish long-form and short-form videos, including a startup pitch video, a 12-hour hackathon vlog and a 30-day YouTube journey video.
- Handle scripting, filming, editing, titles, thumbnails and descriptions for each upload.
- Reviewed YouTube Studio analytics to refine titles, thumbnails and content ideas.

SKILLS

Social Media: Content Strategy, Content Calendar, Instagram Reels, YouTube Shorts, Community Engagement, Audience Growth, Profile Optimisation

Content: Scriptwriting, Hooks and Captions, Storytelling, Short-Form Video, Thumbnails, Hashtags
